FOUNDERS' DAY

The Founders' Day celebration held annually at Pikeville College dates back to 1925, when formal tribute was first paid to the achievements of the men who founded the school and set the beacon of higher learning in the Kentucky hills. The exercises of the day began in the chapel, and then friends of the college and students mingled on the campus until noon. At that time the Junior College students, then known as the College Class, served lunch. The exercises were concluded with an afternoon service held in the Presbyterian Church.

This celebration has since become one of the annual events of the college. October is the month for the celebration.

The 1939 celebration was two-fold in purpose. Approximately three hundred fifty alumni took part in the semi-centennial and Founders' Day program on October 11-12.

During the course of this celebration the college received two very valuable gifts. The first was a set of silver-toned chimes given by the Alumni Association. These were given to fulfil the frequently expressed desire of Dr. James F. Record to have soft, peaceful music floating over the valley. The other gift was two hundred hymn books for the chapel from Mrs. Hester Trivette in memory of her husband, Mr. Linton Trivette.

A historical pageant given in the chapel on Wednesday evening was one of the most interesting parts of the whole program. This portrayed five scenes taken at ten-year intervals from 1889 to 1929. Mrs. May Elliott Shurtleff was responsible for the direction of this pageant. The various persons taking part in the pageant were Misses Ruth Harman, Marie Huffman, Virginia Hatcher, Margery Harman, Della Childers, Annette and Rebecca Jean Donaldson, Patty Preston, Emma Jo Bowles, Elmo Childers, and Mary R. Phinney; Mrs. Violet Connolly, Mrs. Rachael Ratliff, Mrs. Margaret Hatcher, Mrs. Grace Burke, and Mrs. Katherine Doak; Messrs. F. S. Huffman, J. R. Huffman, J. M. Hatcher, Jr., F. A. Connolly, Walter Walters, W. M. Connolly, Burl Ratcliffe, James Miller, and Sidney Ratliff, Jr.

Music was furnished by the College Glee Club under the direction of Miss Lumbard.

The all-college parade on Thursday afternoon ended the celebration. Students of the Training School, the Academy, and the College, as well as the faculty members, took part in the parade. The colorful Ford Pipe Band, an organization of Scotch pipers and drummers, who had also played on the campus Wednesday night and Thursday morning, and had given a concert in Wickham Chapel Thursday night, led the parade. This gay band is sent out by the Ford Motor Company. The college was very fortunate indeed to have them come from Detroit for this occasion.

The contribution made by Pikeville College and other church colleges was stressed by Dr. James E. Clark of Nashville, Tennessee, who gave an address on "The Present Crists in Education" at ten o'clock on Thursday morning. Frank Scott, president of the Alumni Association, and Dr. Crooks, president of the college, also spoke at this meeting.

Dr. Crooks read greetings from President Roosevelt, Senators Alben W. Barkley and Robert A. Taft, Governor A. B. Chandler, Representative A. J. May, Judge King Swope, and a large number of heads of colleges and seminaries from several states.

Several social events for the alumni and visitors formed an important part of the program. These included a tea at the home of Dr. and Mrs. H. M. Crooks, and a banquet and a luncheon, both in the college cafeteria. At the luncheon President Lloyd of Maryville College spoke on "Fifty-year Convictions." In this address he looked both backward and forward, paying tribute to the history of Pikeville College, and ending with the quotation, "Hope is greater than history."

Alumni who contributed a great deal to making the semi-centennial Founders' Day a success are Mrs. Madeline Childers Hatcher, Mrs. Margaret Cornett Hatcher, Mrs. May Elliott Shurtleff, Mrs. Hester Frances Trivette, Miss Mary I. Spilman, Mrs. Georgia Forsyth, Mr. Hatrison Bowles, Mr. W. P. Call, and Mr. Frank Forsyth.

HISTORY OF PIKEVILLE COLLEGE

In the year 1880 Doctor Hendricks of Flemingsburg and Doctor Condit of Ashland selected Pikeville as the location for an institution of higher learning. In 1889, exactly fifty years ago, three acres of land were purchased and a four-room brick building was built for school and church. Reverend David Blythe was selected as principal. Ten years later Dr. James F. Record became principal, and two teachers were employed. During that first year many hardships were endured. Poor dwelling places, sickness, and poor attendance of pupils necessitated the dismissal of one teacher.

A training class for teachers was established at Pikeville Collegiate Institute in 1901, and there was a good enrollment. The department was carried on with great success. A few years ago it became the Training School of Pikeville College.

The enrollment of the school increased rapidly during the first years of the twentieth century, and in 1906 Mr. John O. Simpson, trustee from Covington, donated \$40,000 for the building and equipping of the Derriana. It was completed in 1908 and was named in honor of Mr. Simpson's sister. This building still serves as the dormitory for women.

Dr. Record resigned in 1911 but returned to his work at Pikeville in 1915. From that year until his resignation in 1932, he served as president of Pikeville College, and completed a splendid service.

In 1925 a new Administration Building was begun. It was completed in the following year. A chapel and pipe organ were given by Mrs. Delos O. Wickham of Detroit, and the chapel was named in her honor. She also gave a large amount of money for the building of Wickham Hall, a dormitory for boys.

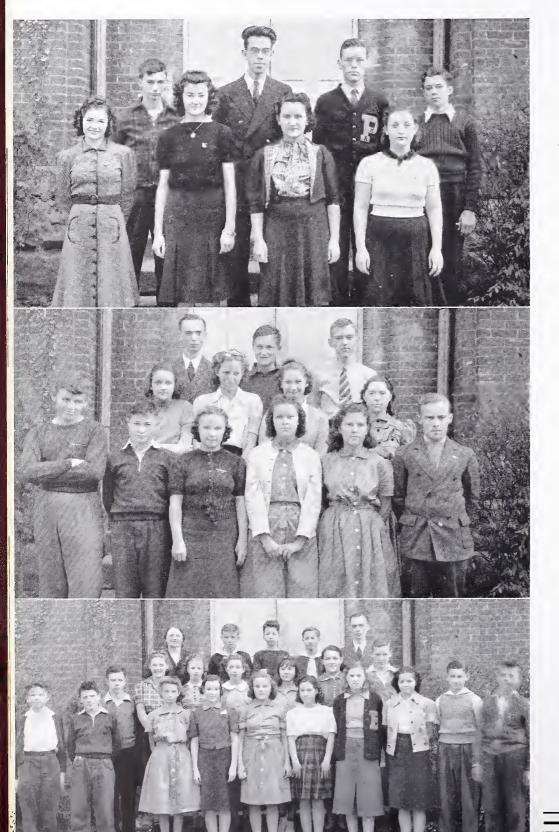

The first Founders' Day was observed on October 21, 1925. Doctor Condit was the last speaker on the program, and the audience rose to show their love and appreciation for him. Before Founders' Day, 1926, Doctor Condit had died.

The Kentucky Legislature passed a bill impowering certain accredited colleges having no state aid to give work required for the teacher's certificate, and Pikeville College has been given that privilege.

Dr. Record gave up his active work in 1932. On May 26, 1935, he died at Danville, Kentucky. His loss has been keenly felt by many persons

ACTIVITIES

Y. M. C. A.

Meetings of the College "Y" are held every Tuesday evening in the social room of Wickham Hall. At these weekly meetings a wide variety of programs is possible, but it is the aim of the program committee to arrange for at least four types of program every month: religion, current problems, of either campus or society; a special speaker; a co-ed meeting with the sister organization on the campus, the Y. W. Apart from the regular meetings, the "Y" attempts to take active leadership in the religious life of the campus. Members of the "Y" serve

in the rural Sunday Schools which meet on Sunday afternoons; efforts have been made from time to time to increase interest in Hi-Y clubs in the high schools of the county; one member of the "Y" helped to organize a football team among the boys of the neighborhood. Of great importance has been the work of the "Y" in helping with the week of Religious Emphasis held on the campus every spring. Membership in the "Y" is growing, and with that growth is coming wider influence.

C. A.

The Y. W. C. A. on our campus figures largely in campus life. It is important to us because it is a world-wide organization and also because it is the basis of spiritual life in our school.

In our Y. W. we have formed many close friendships through a common purpose—learning more and more about the truths of God.

Miss North has been our faithful sponsor, and the year has been a good one. There have been many interesting guest speakers. Song services with the Y. M. C. A. and topic discussion programs have been popular.

We sincerely hope that the Y. W. C. A. purpose will ever be carried on in Pikeville College.

The Women's Athletic Association of Pikeville College was organized at the close of the softball season, with thirteen charter members. To become a member a student must have earned membership points by taking part in one or more sports. To retain her membership, she must remain active by participating in

some activity each semester. The members have been successful in their money raising campaign. Their pledge to the score board fund has been paid, and membership and honor emblems have been bought. An outstanding project is ahead, when the W. A. A. expects to meet the faculty team in a basketball game.

D E B A T E

This year's debate team started off under a decided handicap, in that all of the first team debaters of last year were graduated. However, several newcomers have shown promise. Debates have been scheduled with Waynesburg College of Pennsylvania, Centre and East-

ern of Kentucky, and Rio Grande of Ohio. The team expects also to meet Georgetown and Berea. The climax of the season will be the annual Southeastern Phi Rho Pi tournament, held this year at Bluefield, Virginia. The Pikeville team made an enviable record last year; may they do well this year.

APPLIED PSYCHOLOGY CLUB

The Psychology Club attempts to present in as interesting a manner as possible those psychological factors which influence our every day lives and activities. At each meeting a club experiment is carried out in which, in most instances, the entire club participates. Particular emphasis is placed upon presenting factors which can be portrayed in an interesting manner.

An endeavor has been made to make an appeal to the student body in general, with the result that over forty per cent of the student body has been enrelled in membership.

During May the club makes two cash awards to graduating students who have done outstanding

work in psychology.

Faculty advisers are Mr. Ashby, Mr. Leitch, and Mr. Curtis. Mr. Curtis is the founder of the club.

Le Cercle Français s'est organise pour ceux qui suivent les cours de français ou qui le savent déja un peu.

Pendent l'année nous espérons faire la connaissance de la France au moyens des films de voyage. Nous espérons aussi appendre perler assez couramment le français en nous servant des chants, des jeux, et de petites pieces de théatre.

"... our ultimate aim is your approval."

That *The Record* is truly a student activity is shown by the fact that sixty students have taken some definite part in the publication of its eight issues. Some of these have worked regularly throughout the year in the same department; some have had a different assignment each time; some have done only one special assignment; but all have worked faithfully and cheerfully and have contributed their part toward making the paper a success. More

than once, some of them have acted on the well-known assumption that "a deadline is just something to cross over"; but the paper has never had to appear, as did one of our exchanges from another college, with a whole blank page representing the stories that never did come in! On the other hand, we have often had to condense or omit material for lack of space.

The Pikeville College Band was organized in October, 1939, under the direction of Mr. C. D. Wallace. The Band is made up of members from the Training School, the Academy,

and the College. Regular band practices are held twice each week, and special instruction is given to beginners. Progress has been marked and the College is looking forward to a bigger and better band in 1940-41.

CHEERLEADERS

Pett and Katheryn have done their bit to help the Bears this year. No game would have been complete without the cheers and songs led by this duo. At times the cheering section is just about as interesting as the game itself.

THE COACH

Coach J. K. Rash is a graduate of Penn College, Oskaloosa, Iowa, and has an M.A. degree from the Y. M. C. A. Graduate School at Nashville, Tennessee. He came to Pikeville in 1937, and has been a very successful coach for three Bear teams. In the 1938-'39 season he was president of the Kentucky Junior College Athletic Conference. His teams and fans are now trying to get a new gym for Pikeville College.

THE BEARS

After a well-earned victory over the Alumni, the Bears journeyed to Ashland on December 12, where they were completely overwhelmed by the Ashland sharpshooters. It was the first conference game of the year, and the Bears were defeated to the tune of 52-33 score. Blackburn for Pikeville and Higgins for Ashland led the scoring with fourteen points each.

The next game, with Lee's College on December 15, found the Bears hitting their stride, as they handed the Lee's basketeers a 45-25 defeat. The Rashmen held a comfortable lead throughout the game. Blackburn with twelve points and Blankenship with nine were high for the Bears. White with eight points led the Lee's scoring. The game was played on the Breathitt County High School floor.

On January 5, the Dragons of Sue Bennett invaded the lair of the Pikeville Bears and carried away a 38-34 victory. The

game was close and exciting throughout. The Bears played a commendable game, but they were unable to cope with the more evenly balanced Dragons. The Bears were also without the services of their high-scoring forward, Clyde Blackburn, who was out with a broken collar-bone. Hays was high for Pikeville with fourteen points. Branaman led the Sue Bennett Cagers with ten points.

In the return game with Lee's on January 12, the Rashmen again humbled the Lee's netmen by a 56-41 decision. The game was fast and Tom Hays "got hot" to capture the scoring honors with sixteen chalk-ups. Preece and Newsome rang up ten points each, and White gathered nine markers for Lee's. This game marked Pikeville's second conference win of the year.

Led by Newsome and Sturgill, the Bears smothered the Campbellsville Tigers by a score of 64-37. The game was played on the home floor on January 18. Newsome gathered sixteen points and Sturgill fourteen.

In a non-conference skirmish with Hiwassee, Tennessee, at Nora, Virginia, on January 19, the Bears were defeated by a 41-31 margin. The Bears had a 21-18 lead at the half, but they could not withstand the "heat" turned on by the Hiwassee boys in the last half. Preece led Pikeville's scoring with nine points.

On January 27, the experienced cagemen of Emory-Henry College handed the Bears a 52-34 shellacking. Hays was high for Pikeville with eleven points. The game was played on the Matewan, West Virginia, floor.

Taking the road for a three-day jaunt, the Bears encountered the Raiders of Lindsey-Wilson on January 29. The game was marked by numerous fouls, and Lindsey-Wilson emerged with a 47-23 dicision. Hays and Preece led Pikeville with five points each.

In the second game of the trip Camp-

bellsville gained revenge by a 27-26 vic-Newsome, with five points, and Blankenship, with ten, were high for Pikeville. Still jinxed by their sudden slump, the Rashmen went down before the attack of the Sue Bennett Dragons on January 31, to the tune of a 34-20 score. Hays led the Bears with eight points.

On a two-day road trip, February 5-6, the Bears were defeated by Morehead Frosh 37-20. Kerns with five points was high for the Bears The following night the Bears again met defeat at the hands of the Marshall Frosh, the score being 42-29. Tatum led the Rashmen with eleven points.

On February 10, in a game that was much closer than the score indicated, the Bears went down before Lindsey-Wilson with a 41-29 score. Tom Hays "got hot" and chalked up sixteen points for the Bears.

The Bears defeated Morehead Frosh on February 15, by a 44-43 margin. Tom Hays again led the Rashmen with sixteen points.

The Bears were smothered on February

BLANKENSHIP

Vernon always plays hard and he really should go places next year.

HAYS

Tom is not only the tallest man on the team, but also high scorer for the year. KERNS

If speed and good floorwork count, Harry will be a val-uable man to the team next year.

NEWSOME

"Butch" is one of the fastest men on the team and is also second as a scorer.

OWENS

Although Paul is the smallest man on the team he can rebound with the best.

PRECE Forest is a good floor man, and his spectacular long shots have caused many thrills.

STUMBO
Showing the effects of a year's inactivity in basketball, Bill did not hit his stride until near the close of the season.

TATUM

Clinton is a good man to place under the basket. He should be one of the leading scorers for 1941.

BERT HAYS

Last year as one of the Freshman managers, and this year as THE manager, Bert has planned for the Bears and the visiting teams in such a way as to win the admiration of his comrades and their fans.

COACH J.K. RASH
Coach Rash is to be
commended upon his
handling of this
year's team. Although his record in
scores for this season is not above average, he has built
the foundation for a
good future team.

20, by the Marshall Freshmen to the tune of a 64-26 score. Newsome gathered five points for the Bears.

The Bears closed their basketball season on February 23, by taking a 59-43 drubbing from the Ashland Thoroughbreds. Hays captured scoring honors on the Pikeville team with fourteen points. Adkins led the Thoroughbreds with sixteen tallies.

The Bears went to Columbia, Kentucky, for the Kentucky Junior College Tournament, February 26-27 The Bears were defeated by a strong Lindsey-Wilson aggregation in their first game of the tournament. Although the Bears had a one-point lead at the end of the first quarter, the final score was 49-19. Newsome was best for Pikeville with ten points.

In the consolation game on February 27, the Bears fell before the Ashland sharp-shooters, 54-37. Tatum was high for Pike-ville with thirteen points. Newsome received an honorable mention for his fine

work in the two tournament games.

Lindsey-Wilson won the Kentucky Junior College Tournament for the third consecutive time. Ashland was the consolation winner. Both teams placed two men on the all-tournament team.

On March 7, the Rashmen again took the road for the three-day Southeastern Junior College Tournament at Athens, Tennessee. The Rashmen pulled the first surprise of the tournament by defeating a strong South Georgia quintet by a 34-30 margin. Hays led the Bears with five baskets.

This victory advanced the Bears to the semi-finals, where they engaged the tournament favorites, Tennessee Wesleyan. The game was much closer than the 48-24 score indicates. This victory advanced Tennessee Wesleyan to the finals. In the consolation game on Farch 9, the Bears were defeated by Mars Hill, 43-36. Middle Georgia defeated Tennessee Wesleyan 56-52 to win the tournament.

CUB TEAM

Front Row Showalter, Owens, Miller. Second Row Hylton (Manager), Cassady, Adkins, Cline (Captain), Ratliff, Matney, Leitch (Coach). Third Rows Hutcheson, Chrisman, Sullivan, Sanders.

ACADEMY BASKETBALL

In his second year of coaching at the Academy, A. H. Leitch has turned out the best Cub team in three years. It was mostly through Coach Leitch's patience and work that the team reached the height it did. Out of twenty games played, nine were won and eleven lost. Most of these games were against the best teams in this section. The schedule included games with Hellier, Dorton, Phelps, Prestonburg, Johns Creek, Virgie, Belfry, Cumberland, Salyersville, and Betsy Layne. The highlights of the season were victories over the strong Salyersville and Prestonburg teams, also a win over Virgie, a team the Cubs had not beaten for a number of years. Six letter men will be lost by graduation and next year's team will have to come from the reserves.

Easily the most outstanding player in the team was the Captain, Perry Cline. He averaged ten points per game and sparked the team both on offense and defense. Ratliff was next in scoring, averaging seven points per game. Sidney was the best long shot on the team and a scoring threat at all times.

In the first game of the tournament the Cubs met their ancient rivals, the Panthers from Pike Hi. Although they scored more points against them than any other team in the tournament did, the Cubs went down in defeat, 18 to 30. The sting of this defeat was lessened somewhat by the fact that the team was awarded the Sportsmanship Trophy. Cline was a unanimous choice for a position on the first All-Tournament Team. Ratliff was placed on the second team.

TENNIS SEASON

The tennis team last season played a full schedule in intercollegiate competition. Although half the matches were with the varsity teams of four-year colleges and universities, the season ended with three victories against five defeats. The squad consisted of the following players: No. 1, Hubert King; No. 2,

Johnny Hatcher; No. 3, Bill Forsyth; No. 4, Clyde Blackburn; No. 5, Ted Hudson; No. 6, Rex Cheek; No. 7, Charles Johnson. King, Hatcher, Forsyth, Blackburn and Hudson earned letters. Forsyth distinguished himself by losing only one of his eight singles encounters.

who were students and associates of his, but his spirit still lives. His work was taken up by Dean Frank McClelland who, on October 12, 1932, became president.

Dr. McClelland was president until 1937, at which time he accepted a call to our sister institution, Maryville College. For a year, local trustees and faculty worked hard at the task of keeping the College going. In 1938, a new friend, Doctor H. M. Crooks, became president.

On October 12, 1939, Dr. Record's wish came true: a set of chimes was installed. The chimes, given by the Alumni Association, were dedicated to the memory of Dr. Record. Very fittingly, at five-thirty-five, the chimes rang out the melody of Dr. Record's favorite hymn, "This Is My Father's World," reminding all who have been concerned with Pikeville's fifty years of growth that this is indeed our Father's world.

SEPTEMBER

The golden-rod is yellow;

A STUDENT'S DIARY

September, 1939.

SEPT. 11. The year of school activities opened today with tests and talks for the Freshmen. Tonight we went to a soft-ball game and then we had ice cream at the Derriana. Looks as if school is going to be fun this year.

SEPT. 12. More tests for the Freshmen. They look mighty green to me, but I guess all Freshmen are like that. Marshmallow roast in Spilman's back yard. First Derriana house meeting.

SEPT. 13. More students arriving all the time. The Sophomores registered today, and tonight the Alumni Association gave a reception for the students. It was in the parlor of the Derriana, and the place was jammed. Met oodles of new people.

SEPT. 14. Classes and chapel met for the first time today. It wasn't at all unusual to see a Freshman sitting in a Greek class trying to look very intelligent when all the time he thought he was in an English class. (Nothing much was accomplished today).

SEPT. 15. Classes and chapel today. It seems that we're getting pretty well organized.

SEPT. 16. Saturday, and a chance to get unpacked and get your breath a little. *More people* borrowing things around here.

SEPT. 17. Sunday school, church, dinner, quiet hour, a walk, and then C. E. at the Presbyterian Church. Many new students were at the first meeting of C. E.

SEPT. 18. Back to school and Oh, me! "We love those wide open spaces." We'll soon get used to it, though. I've got charlie horses (everybody else has, too) from climbing up steps.

SEPT. 19. Y. W. C. A. held first meeting tonight and we had quite a crowd, and ice cream at the close of the meeting. The boys say they had a big attendance at Y. M., too.

SEPT. 20. The intrainural softball tournament opened today with the Academy defeated by Frosh D, 11-10. First meeting of student teachers was held today.

SEPT. 21. This evening at 4:00, Frosh A played Soph. A, and beat them 17-3.

SEPT. 22. The ministers of the local churches were introduced in chapel this morning. Tonight at 6:30 we had a "sing" on the steps of the Administration Building. More fun!

SEPT. 23. This afternoon from 4:00 to 6:00 Dr. and Mrs. Crooks entertained the faculty with a tea.

SEPT. 24. Sunday School, church, dinner, quiet hour, and C. E., as usual. Tonight at 9:00 the girls met in the Derriana parlor and sang songs. It was fun.

SEPT. 25. Monday—Blue Monday! Rev. Vinton, the new Sunday School worker, spoke in chapel this morning. At 4:00 P. M., Frosh C swamped the Faculty with a score of 11-5. Most of the faculty wives were present.

SEPT. 26. We had a good turnout for girl's softball this afternoon. At 6:00 this evening one of the best liked students in the college left us. He went to Detroit, Mich. We're going to miss Bob. Rev. Mr. Howerton spoke in chapel this morning.

SEPT. 27. This morning in chapel Dr. Crooks spoke to us on work and study. (One of the best things about P. C. is the chapel hour). Tonight in the cafeteria a birthday party was given for all those students having birthdays in September.

SEPT. 28. Classes were dismissed for Mr. Call's funeral this afternoon.

SEPT. 29. Today at 4:00 P. M. Frosh B were defeated by Soph. B, 6-2. Tonight at 7:30 the first C. E. social was given at the Presbyterian Church. About 100 attended. Hot dogs were good.

SEPT. 30. There was a meeting of the *Record* staff today for the purpose of assembling copy for the first publication of this school year. Hope it will be a good edition. The faculty wouldn't let a little mist and fog keep them from going to Cowpen Creek on a picnic. (It is rumored that they, too, like hamburgers and O N I O N S).

OCTOBER

OCTOBER'S BRIGHT BLUE WEATHER

Suns and skies and clouds of June, And flowers of June together, Ye cannot rival for one hour October's bright blue weather.

O suns and skies and flowers of June, Count all your boasts together; Love loveth best of all the year October's bright blue weather.

Helen Hunt Jackson

October, 1939.

Oct. 1. The beginning of a new month. I hope this month goes as well as last month did. Nothing unusual has happened today—just another peaceful Sunday for us, but I hate to think what this day may have brought to many Europeans. I thank God that I'm an American.

OCT. 2. Blue Monday! I think that if everybody concentrated on being cheerful on Monday the rest of the week would be ever so much easier. This morning in chapel Dr. Crooks spoke to us on church attendance.

Oct. 3. Today at 4:00 P. M. the Pinchhitters (Sophomores) played the Dodgers (Freshmen) in softball. The Pinchhitters won by a score of 17-16.

Oct. 3. Tonight at 7:15, Y. M. and Y. W. had their weekly meetings. We have a larger attendance at these meetings this year than last. I'm glad that we have succeeded in getting some of the town folks up here.

Oct. 4. This morning in chapel we had a very interesting speaker, Rev. Edwards, from Miami, Fla., who spoke on "The Law of the Lord." At 12:40, the sophomores met in Room 8 and elected their class officers. Rex Cheek is our president.

Oct. 5. At 12:40 the Freshmen met in Wickham Chapel and elected their class officers. Their president is Elza Newsome.

Oct. 6. This morning in chapel we had a very distinguished speaker. Dr. Francis S. Hutchins, President of Berea College, spoke to us about "The Student in China." First all-college party of the year took place in the dining hall tonight. I didn't know faculty and students could have such a good time playing games and eating ice cream together.

Oct. 7. Saturday is clean up and wash day in the dormitories. Tonight the boys went "a-courtin"." Lots of the girls have new beaux.

Oct. 8. Sunday school, church, dinner, quiet

hour, supper, C. E., church, and Sunday night sing in the Derriana. Another peaceful Sunday. Sometimes I wonder how many more peaceful Sundays we will know.

Oct. 9. Back to school! Mr. Leitch spoke in chapel this morning.

OCT. 10. Tonight at 7:15, Y. W. and Y. M. had a joint meeting in the dining hall. A group of us met and did some work on the *Record*—folding, etc. We're trying to get it ready to distribute tomorrow.

OCT. 11. The first issue of the *Record* was distributed in chapel this morning. This evening at 6:00 an alumni dinner was given in the college dining hall. At 7:30 in Wickham Chapel a historical pageant, written by Mrs. Record, was presented. The dedication of the James F. Record Memorial Chimes followed and then the Scotch Kiltie Band which Dr. Crooks has engaged for Founder's Day, played for us out in front of the Administration Building. An eventful day, but tomorrow will be even more so.

OCT. 12. FOUNDER'S DAY! We're celebrating the 50th Anniversary of our school. The chapel program was led by Frank Scott, president of the Alumni Association, and the principal speaker was Rev. James Clark of Nashville, Tenn. At 12:30 the alumni were given a lunch in the dining hall. Dr. Lloyd spoke at this meeting. Then at 2:30 we had our big parade, which was led through town by the "Kiltie Band." The band is composed entirely of drums and bagpipes and it's grand! Tonight in Wickham Chapel the Kiltie Band gave a concert. One man did the Highland Fling. My day has been a lovely day. I think that this day will never be forgotten by anyone who attended our celebration.

Oct. 13. Friday the 13th! I didn't see a single black cat and I didn't get hit with any bricks. There were two softball games this afternoon. We miss all the visitors who were here yesterday.

Oct. 14. This morning at 4:30 Julia Ann Pugh, Edna Earle Rice, Gifford Varney, William Bladridge, and Miss Landrum left for Berea, where they attended a conference of the "Y" association of this section. Everybody at home did his (or her) Saturday night courtin'.

Oct. 15. Sunday again.

Oct. 16. Back to our school work. This morning in chapel we had a very interesting man with us. The Rev. Clifton Moore of Akron, Ohio, who was with Dr. Goldner when he was kidnapped in Palestine, spoke to us about "The Good Samaritan of 1939." He told us about the kidnapping of Dr. Goldner.

OCT. 17. In chapel this morning Miss Harman told us about her experiences in Europe, before and after the war started. Tonight the Y. M. and Y. W. met. In our Y. W. Julia Ann and Edna Earle told us about their trip to Berea. We enjoyed it a lot.

OCT. 18. This morning the College Choir and the Male Quartet sang in chapel. The music was good. Today at 12:40 the *Record* officers were elected. Rita Jo Artrip is the Editor-inchief. Billy Clyde Sanders and Pat Smith are co-editors. This afternoon at 4:00 the Pinchhitters and the Dodgers (girls' teams) played softball. The Dodgers won 15-2.

Oct. 19. In chapel today Rev. Mr. Thomas of the Methodist Church spoke to us on "The Elements of Success." This afternoon the Ashby Alley Cats played softball against the St. Clair Sluggers. After the game the boys had a wiener roast.

Oct. 20. This morning in chapel the Sponsors of the various clubs presented the different clubs to us. The clubs sound very interesting. This afternoon at 4:00 the final game of the intramural softball tournament was played. Sopho-

more A won by beating Sophomore B, 9-8. The tournament was lots of fun.

Oct. 21. Saturday. Everybody cleaned house and did other things that needed to be done. Saturday matinee drew a big crowd. Tonight was date night.

Oct. 22. Another Sunday. Last week passed quickly. I think that weeks of college life must be shorter than any other weeks. Sunday School, church, dinner, and the other things we do every Sunday. I like to hear the chimes play every evening at 5:30. They play so regularly that they tell the time for us.

OCT. 23. Rev. Mastin of Paris, Ky., spoke in chapel this morning on "Christian Attitude in the Present World Crises." This afternoon at 4:30 the Y. W. C. A. went on a picnic. They hiked to Initial Rock and returned about 7:00 this evening. Everybody had a grand time.

Oct. 24. Dr. Crooks spoke to us in chapel. Tonight in Y. W. Miss Harman told us more about her summer in Europe. We like it very much. The Y. M. did not hold its regular meeting tonight.

Oct. 25. In chapel Mr. Cratis Williams,

principal of Louisa High School, and a student of Kentucky and other ballads, gave a very interesting program. He sang several of the ballads, and the students were delighted. Tonight the Y. M. C. A. had charge of prayer meeting at the Presbyterian Church. Many of the boys took parts and the college male quartet sang two negro spirituals.

OCT. 26. This morning several of the teachers left on a trip to Richmond, where they will visit the Education Department. They plan to go on to Lexington where they will attend the educational conference. In chapel Mr. Curtis told us of his experiences in Europe this summer. Tonight the Psychology Club met for the first time. Officers were elected and a very interesting program on magic was presented. We had with us a very mysterious lady, Madame Misto (Helen Craft to you), who gave a very good demonstration of mind reading. Then Mr. Leitch and Mr. Curtis showed us some magic tricks. Also the Epworth League of the Methodist Church had a party tonight.

Oct. 27. This morning in chapel Mr. Leitch read us a letter that his wife had received from a friend of hers, a young English woman who had just visited America. We laughted at some

of her impressions of our country. Several of the students went home today. Some of the teachers went to Lexington to attend the educational conference.

Oct. 28. Classes were dismissed today and nearly everybody went home. A few people were left in each of the dormitories and tonight the house mother of each dormitory gave a party for those who stayed.

OCT. 29. Another Sunday, and it was just like any other Sunday except that most everybody went home. Some of them came back this afternoon. Everybody had a nice time while at home.

Oct. 30. It's always hard to get back to work right after a vacation and it was today. In chapel Dr. Crooks spoke to us. I think his talks are very, very interesting. This tie he spoke to us on "Gratitude." None of us are as grateful as we should be.

Oct. 31. Halloween! Tonight an all-college party was given by the Y. W. C. A. in the college gymnasium. The gym was appropriately decorated. Games and contests were enjoyed by all, and refreshments were served to 110.

Farewell, October! I hope everybody has enjoyed October, 1939, as much as I have. It will never come again!

NOVEMBER

Dull November brings the blast; Then the leaves are whirling fast. —Sara Coleridge.

Nov. 1. A new month always makes me feel like a new person. This morning in chapel Dr. Crooks read poetry to us. The intramural basketball tournament opened this afternoon with two rip-roaring games. Frosh C beat the Faculty by a score of 30-25. The Academy downed Soph B, 20-14. Tut! Tut! Bad way to start a new month, Sophs and Faculty.

Nov. 2. We all look forward to the days when we have Mr. Leitch in chapel. Today he spoke on the parable of the five talents. We liked him very much. This afternoon Frosh D played Frosh A and beat them. The score was 37-26. Result of game between Soph A and Frosh B: Soph A 36, and Frosh B 24.

Nov. 3. In chapel this morning Mr. Page read the rules for "Freshman Week." Sounds bad, Freshmen. This afternoon Frosh D was defeated by Frosh C 35-26. Soph A beat the Academy 28-14. The History Club met tonight with Mrs. Hart and Mr. St. Clair. The Y. W.

is planning a program for next week and they practiced it tonight in Wickham Chapel.

Nov. 4. Today some of us cleaned house, and others went to the Saturday movie downtown. Tonight was date night. Somebody hid the little cowbell, thinking Miss Michael wouldn't make the boys leave at 10:00, but she has another bell in her room. Better luck next time, hows

Nov. 5. Today is Sunday. We went to Sunday School and church and then to dinner (steak and mashed potatoes as usual). Some of us went out to teach Sunday School in the afternoon. Christian Endeavor had a grand spaghetti supper tonight. They forgot to buy the spaghetti for the spaghetti supper, but Miss Murray saved the situation. We have a good C. E. this year. More people attend than did last year.

Nov. 6. Golly, don't the Freshmen look "ducky" today. Phew! I smell onions. Today Frosh B beat Soph B 44-13. Frosh A beat the Faculty 32-22. Those Freshmen are really playing basketball!

Mr. Rummel: What is the formula for water?

Pett Lemon: H-I-J-K-L-M-N-O. Mr. Rummel: What do you mean?

Pett L.: Why, you said it was H to O.

Judge: It seems to me that I have seen you

Miss Sandrock: You have, your honor. I gave your daughter singing lessons.

Judge: Thirty years.

Charles (to jeweler): Will you take back this engagement ring?

Jeweler: Doesn't it suit? Charles: Yes, but I don't.

Burns (proudly to Gaynelle): I can imitate anything you want me to. Would you like some-

Gaynelle: Yes. Try a homing pigeon.

Blanche: Aren't those chimes melodiously beautiful? Such harmony! So inspiring!
Billy Clyde: You'll have to speak louder. Those confounded bells are making such a racket I can't hear you.

Joe: The horn on your car must be broken. Bradford: No, it's just indifferent. Joe: What do you mean?

Bradford: It just doesn't give a hoot.

Elza N.: What's your name? Mable C: M-M-M-M-M-Mable. Elza N.: O. K. I'll call you Mable for short.

Angelo: Pat is very temperamental. Burns: Yeah, I know what you mean. Ninety-nine per cent temper and one per cent mental.

Mr. Rummel, the professor of chemistry, was giving a lesson on the powers of explosives. This, he explained, is one of the most dangerous explosives of them all. If I am in the slightest degree wrong in my experiment, we are likely to be blown through the roof. Kindly come a little closer, so that you may follow me better.

A cop stopped Virginia Pineur, who was going about seventy miles per hour.

Were you stopping Virginia (innocently): me for speeding, Officer?

Cop (in sarcastic tone): Oh, no, nothing like that. You're flying too low.

CAMPUS FUN

Mr. Curtis (to Clyde Blackburn, who is tardy as usual): You should have been here at 8:00, Mr. Blackburn.

Clyde B: Why, what happened?

Mr. Rummel: Can you tell me what thought passed through Sir Isaac Newton's head when the apple fell on it?

Peggy Jo Allen: Glad it wasn't a brick.

Phil Bevins: 1 will certainly give Blake Sanders a piece of my mind the next time 1 see him.

Rex Cheek: Impossible! Phil: Why so?

Rex: Only the most learned scientist can split an atom in pieces.

We've heard that college bred means a fouryear loaf made with dad's dough. Some crust, eh?

Mr. Rash (to players): And remember that basketball develops individuality, initiative, and leadership. Now get in there and do just as I tell you.

Dr. Crooks: We've got a lilac bush in our yard 50 feet high.

Miss Spilman: I wouldn't lilac that.

Mr. Rash (to gym class): Somebody open the windows. All right, take a deep breath and throw out your chest.

After a bit of confusion among the boys, he said: Well, hurry up, throw out your chest and step on it.

Miss Bostick: This is the plot of my story. A midnight scene. Two burglars creep stealthily toward the house. They climb a wall, force open a window, and enter the room. The clock strikes one.

Anne Owens: Which one?

Mr. Rash (to Hygiene Class): How many sets of teeth does a person have?

Vernon Blankenship: Three.
Mr. Rash: Three? Name them.
Vernon: Temporary, permanent, and false.

Mr. Carson: Herbert, what is a cannibal? Herbert Harper: I don't know.

Mr. Carson: Well, if you ate your mother and father, what would you be?

Herbert: An orphan.

Mr. Leitch: Neither do 1, but it's the lowest mark I'm allowed to give.
